Africano Integrated Solutions is a Egypt based System Integration and Service company committed to delivering the best-in-class IT Solutions to help our clients achieve their business goals

Delivering Best-in-Class IT

The Company

Africano Integrated Solutions is a Egypt based System Integration and Service company committed to delivering the best-in-class IT Solutions to help our clients achieve their business goals .

Africano Integrated Solution was founded in 2009. Our mission then, and now, is to develop quality technology solutions and provide reliable support for many different types of organization. We offer complete systems integration in areas such as networking, remote communications, web application development, custom training and Internet solutions.

Commitment

Be accountable, work together as a team and communicate clearly.

Innovation

Think outside the box, challenge constructively and act before others do.

Community

Creating a positive place to work and supporting ethical initiatives.

Excellence

Always deliver exceptional quality, accomplish and improve.

Mission

To be the global leader in IT Services. Building on our technologies, competencies and customer interests, and creating value for our stakeholders and customers. We'll achieve this by focusing on the intersection of our client's emerging needs and the acceleration of business and technological change.
